N. Y. CENTRAL WRECK. EMANS TOO ILL TO APPEAR. HARRIS

The Montreal Express Crashes Into a Freight.

The Tracks Blocked for Over

Conflicting Statements as to Cause of the Accident.

IRPECIAL TO THE EVENING WORLD. I YONEERS, N. Y., Jan. 20 .- A passenger wreck occurred upon the Central Hudson Railroad near Glenwood this morning.

It was at 6.15 o'clock, when a freight train was pulling off the siding onto the main track near the station.

that is due at Gienwood at 6.10, came along to dismiss the proceedings, as Emans had

The engineer reversed but could not stor his train, which crashed into the freight.

The passengers were badly shaken up, and loss of life was narrowly averted

A frozen signal is said to have caused th

The tracks were blocked for over four hours with debris.

The two rear freight cars were smashed into kindling wood.

The engine of the Montreal express was

Wagner cars and ordinary first-class passenger cars.

At the time of the collision nearly half the parlor-car passengers were in their berths.

know nothing about it." All they will say is that "the express ran into the freight train. The case was then adjourned to Wednesday, Feb. 10.

so far as can be learned the freight train down the main track.

It is customary to back into a side switch

General Manager Toucey, who was seen in which was in collision got safely into the depot this morning.

"It's all right," said Mr. Toucey. "No one was injured. It did not amount to much. "The accident was caused," said Mr. Toucey by the freezing of a signal, which is worked automatically near the Yonkers depot.

The Sykes block signal," continued the manager, " is not yet in operation on that part of our road. We are extending that sys tem as fast as we can, but it is not yet ex-

" Near the depots we have our own block system, and this should work satisfactorily

for the present. "At Yonkers the signal is 2,000 feet above the switch where the accident occurred.

According to our information the ireigh train was backing from a side track on to the the main passenger track the danger signal

Lawyer Delos McCurdy, for Emans, moved been adjudged in contempt without having had an opportunity to defend himself. This motion was denied by Justice Cullen

Lawyer Lown, Eman's special counsel, de-clared that he should not produce Emans un-th he was compelled to do so. til he was compelled to do so.

Letter-Carrier Mitchell Chadwick, of Albany,
testified that he delivered the mail at the
Capitol the mornings of Dec. 21 and 22 to a
messenger or clerk, as was his custom. There
was no other person there, except a watchmail.

was no other person there, except a watchman.

Worthington S. Farley, messenger in the Compircoler's office, testified that he received the mail for the Compircoler and placed it on a table in the office.

Secretary of State Frank Rice testified that on the merning in question Clerk Emans came into his office and stated that he wished to recover some inclosures which he had mailed to the Secretary the night before and had been ordered by the Court to retain.

The witness had pointed to a pile of letters on a table, saying. "There is this morning's mail. If your inclosures are there, take them." No word was said about the Dutchess County returns.

To Col. Bliss Secretary Rice declared that Mr. Emans had had his consent to take the papers away, as stated above. There was no meetlon of Dutchess County Senatorial returns.

Exstemptroller Wemple testified that he

ney-General, but was yesterday appointed to been left for her by Cariyle W. Harris, who been left for her by Cariyle W. Harris, who to testiy. On motion of Lawrer De Los McCurdy, agreed to by Col. Bilss, ex-Judge Larned was appointed a referee to take Judge Maybard's testimony in Albany.

SAYS THE CONTRACT WAS BOGUS.

De Castro Testifies Further in the Stokes-Mackay Suit.

When Judge Ingraham announced this morning that he was ready to proceed with at Glenwood to allow the express to go by, the trial of the suit of Edward S. Stokes It is reported that the freight had stopped against John W. Mackay, and Hector De and was preparing to back onto the switch Castro for the recovery of of \$75,000. Mr. Cowan asked for an adjournment, as his assowhen the express train came thundering ciate, Mr. Cheate, was ill and unable to be present. It was finally agreed that they should proceed.

Mr. Larocque then continued the examina his office in the Grand Central Depot shortly after noon, said that the Montreal Express of the statements made by Mr. Stokes when on the stand. Questioned about Mr. Stokes's interest in the telegraph securities, the witness said that Mr. Stokes was only to appear as the owner. Mr. Stokes's only interest in them was that he was to receive a share of the profits when the matter was settled.

"The contract, then," asked Mr. Cowan,

"The contract, then," asked Mr. Cowan,
"was to be a bogus one—a mere sham?"
"That is it exactly," replied Mr. De Castro.
"And even if Mr. Mackay signed the contract," asked Judge ingraham. "it was to be
still a bogus one?"
"Oh." replied the witness. "that I do not
know. That was a matter between Mr. know. That was a matter between Mr Stokes and Mr. Mackay."

BONIFACE PLAUT ARRESTED.

MR. WELLMAN MAKES AN OBJECTION Dr. Edward P. Fowler, the Fortleth stree physician who was hastily called in that the coma which ended in the death after ousing up and telling the girls of the beautiful dreams she had been having, was called as the next witness by Assistant District-Attorney Wellman.

CARLYLE HARRIS AND HIS RECTIFE. Mr. Taylor, of counsel for Harils, objected in the ground that as Dr. Fowler attende he girl in his professional rapacity he ha

the main passenger track the danger signal should have been displayed.

"The red signal would have displayed itself automatically, but did not on account of the frost and storm.

"The signal was examined this morning after the storm, as is the custom. This was before the accident occurred, and the signal was then all right. I do not know how it could have got out of order."

Supt. Theodore Voorhees gave a version of the accident which differed materially from that of Mr. Tousey.

"The collision," he said, "was due entirely to the carelessness of the engineer of the freight train.

"Ille Cloak Company, has been arrested on the charge of secreting his money and property with intent to defraud his creditors.

The red signal was the count of the frost at the total for the sum of \$7.224. Flaut was taken to the Essex Market Police Court and there gave \$2.500 ball for examination on Jan. 20.

Plaut failed in October, 1800, and at the time conveyed his hotel property to his brother and other persons, but has since had the use, so Frost & Co. say in their affidavits, of many thousands of dollars.
